Approving Business License Operating Conditions relating to the Extended Hours License held by Mesa Pizza, 329 9th Ave SE, Minneapolis.

Resolved by The City Council of The City of Minneapolis:

That it approves the following Business License Operating Conditions relating to the Extended Hours License held by Mesa Pizza, 329 9th Ave SE, Minneapolis:

1. Mesa Pizza will only have extended hours until 3:00AM on Fridays and Saturdays. Should the licensee wish to add additional hours, a new application will need to be submitted to Business Licensing for review.
2. The licensee shall take all necessary and prudent steps to avoid violent incidents from occurring at their establishment by assessing customers behaviors and removing any customer who acts in a belligerent, loud or otherwise disruptive manner. If any criminal activity is observed, security must escort the customer from the premises and request Minneapolis Police assistance at the exit of the business.
3. The licensee will ensure no alcohol will be allowed into the establishment, along the frontage of the establishment, or in the businesses designated parking area per Minneapolis Ordinance 372.20.
4. The licensee shall have at least two dedicated security staff, wearing easily identifiable clothing, during all extended hours of operation.
5. The licensee will not provide outdoor speakers.
6. Music from the internal speakers will be kept to a reasonable level so that the sound cannot be heard outside of the establishment. To prevent music from emanating outside, the doors to the establishment will not be propped open unless taking deliveries, then immediately closed.
7. The licensee shall not allow customers or passersby to loiter for any purpose inside the restaurant, along the frontage of the business or in the designated parking area.
8. No person who appears to be obviously intoxicated will be allowed to enter the restaurant.
9. To assist in the prevention of reoccurring disturbances by known persons, the licensee shall compile, maintain and share with the 2nd Police Precinct a "Do Not Admit/86" list of persons who have been trespassed and/or refused service.
10. Signs will be posted at all times asking customers to respect the establishment's neighbors by leaving in a quiet manner.

11. The licensee will not allow any new customers into the establishment after 2:45 a.m. All patrons will be removed from the premises by 3:00 a.m. and the doors secured.

12. Dedicated security staff shall assist in crowd dispersal for at least one half hour after closing of the establishment to prevent loitering.

13. The licensee will not distribute hand-bills advertising to anyone walking on city sidewalks, streets, or alleys; nor place any on parked motor vehicles.

14. The licensee will collect all litter within 100 feet of the exterior of the building housing the licensed premises on a daily basis.

15. If there is a need for a queue line, the licensee shall take all reasonable measures to contain such line within the confines of the restaurant. Should it become operationally necessary to have a portion of the queue line run outside, the line will be continuously monitored by security and maintained with metal barriers to ensure the sidewalk area can remain open to passerby. Any person in the queue line who becomes loud and boisterous or otherwise makes a disturbance will need to be immediately removed by security staff and asked to leave the area.

16. The licensee shall follow the terms of the business plan and security plan as submitted with the restaurant application. Should it become necessary, the licensee shall meet with representatives of the City of Minneapolis to discuss safety, security or operational concerns and make changes to the plans as deemed appropriate.

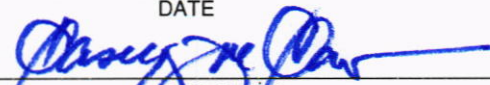

17. The licensee agrees to post their business hours on their front entrance glass door in professionally-done lettering.
